

Do you want to add value to your home?

Does hardwood add value?

- Joseph's Carpentry
- Hardwood is the number one finish flooring people look for in a house.

Carpet is not accepted these days, people look at it differently than they did years ago.

Carpet is viewed now as a material that holds dirt, mold, and allergenic particles.

-Joseph-September 02 2013 (Zillow.com)

Let experience speak for itself

- Twenty years of experience
- Both commercial and residential experience
- Lead installer for several different flooring stores
- Family business (father and three son's)
- Local reputation
- Many professional contractor referrals as well as other hardwood companies
