### Artistry in Hardwoods

Welcome to the premiere Provider of Hardwood floor installation, repair and refinishing in the Greater Spokane, WA area. Currently relocating to Billings, MT Let Spokane's loss be your gain!

"Creative Wood Floors did a wonderful job on my hardwood restoration. Our Victorian home is over 100 years old and they restored the floors to their original beauty and shine. I am SO impressed!" - Sharon, homeowner, Brown's Addition area, Spokane.

Cory did an excellent job of installing our new hardwood floors on our remodel. His attention to detail and expert craftsmanship was very clear when he matched the new floors with the pre-existing floors and we could not tell where they began and where the ended!! The finish work matched the color we chose and the floors look beautiful throughout our house! He treated our house with a great deal of respect and showed up when he said he was coming and finished on time and on budget. I would highly recommend Cory of Creative Wood Floors and I will be having work on our future projects and our friends and families! Thank you for your hard work and our beautiful floors!! Sincerely, Dave Van Hersett
