ABOUT US!

Cory Betts has been doing flooring for over 20 years. It all started while attending college when he took a part time job working for the contractor that maintained the hardwood floors on his college campus. Soon he was doing hardwood floors at other locations for his employer, learning different techniques and skills. After college he stuck with it, earning the equivalent of a journeyman status in hardwood floor maintenance and installation. After 13 years he started his own business – Creative Wood Floors.

Today, almost a decade later, the company consists of Cory and his three sons: Shane, Brian and Andy. They have experience with many types of wood floors, both commercial and residential; from gymnasiums to racquetball courts, hotels, stairways, restorations in historic buildings and of course, remodels for residential and commercial properties. They also work extensively with landlords and property management firms, doing restoration and preventive maintenance for rental and leased properties.

They work in Greater Spokane, WA, including the communities of Spokane Valley, Deer Park, Medical Lake, as far north as Colville, east to Coeur d'Alene and west to Moses Lake. They can work further away, but it may involve additional charges to cover travel and expenses. Talk to them about your project – if you would like a quote on a project, leave a note on the “Contact” page and will be contacted promptly. Make sure you leave your telephone number, or you can simply call Cory Betts at 509-998-6680.

"Creative Wood Floors did a wonderful job on my hardwood restoration. Our Victorian home is over 100 years old and they restored the floors to their original beauty and shine. I am SO impressed!" - Sharon, homeowner, Brown's Addition area, Spokane.

Cory did an excellent job of installing our new hardwood floors on our remodel. His attention to detail and expert craftsmanship was very clear when he matched the new floors with the pre-existing floors and we could not tell where they began and where they ended!! The finish work matched the color we chose and the floors look beautiful throughout our house! He treated our house with a great deal of respect and showed up when he said he was coming and finished on time and on budget. I would highly recommend Cory of Creative Wood Floors and I will be having work on our future projects and our friends and families! Thank you for your hard work and our beautiful floors!! Sincerely, Dave Van Hersett
